## TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 books; each additional book 10¢.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interpret's the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$5.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 4% Sales Tax, and will be added to the invoice.

FRANK and LAURESE KATEN present for your approval their 45th Public and Mail Auction Sale Catalogue. It contains the 2nd Part of "The Wylie Hoard" of a fabulous collection of early American Auction Catalogues, many with the wanted rare plates, and a goodly number with hand printed prices realized.

"The Wylie Hoard" as it has become known, was collected by Alexander Parker Wylie who died in his 71st year on June 29, 1931. Mr. Wylie was born January 23, 1861 in LaSalle County, Illinois. He graduated with the Bachelor of Science degree from the East Paw Paw Classical Seminary, at East Paw Paw, Illinois, in the class of 1884 and at the time was valedictorian of his class. He also had previously attended Knox College at Galesburg, Illinois. (Dr. John S. Davenport, noted author of world crown books, has taught at this institution for many years.)

Mr. Wylie had been a collector all his life and a dealer for 47 years. He specialized in United States coins, paper money and numismatic literature. He advertised extensively for the period, not only in The Numismatist, but through mail order lists.

We are indebted to the consignors for selecting us to dispose of this large collection. We believe Sales Nos. 44 and 45 with their Prices Realized Lists will become the Bibliography of early auction catalogues.

=====

Frank and Laurese Katen wish to express their thanks to the PRINCE GEORGES COUNTY COIN CLUB for selecting them to conduct this four-session auction at their 7th Annual Convention being held at the Sheraton Lanham Motor Inn, in New Carrollton, Maryland.

We wish the Officers and Members of the Prince Georges County Coin Club, much success in this 7th Annual Show.

DEAR SIR:

In the matter of COIN COLLECTING, there is no outlay of funds that brings equal satisfaction to that expended for PRICED CATALOGUES of current sales. I hold monthly public auctions, bona fide sales, without reserve, and will supply Catalogues, neatly priced by hand in red ink, at the rate of 50c. per day's sale.

Bills rendered to annual subscribers June 30th and December 31st.

LYMAN H. LOW.

## Priced Catalogues of Elder Sales

You cannot tell what coins are bringing at auction unless you consult priced catalogues. Mr. Elder is prepared to furnish promptly after each sale, catalogues neatly hand-priced.

Price for each day's sale \$1.00. Remember the Elder sessions are usually twice the size of the ordinary session, usually reaching 1,000 lots, so this price is really very cheap, and barely covers the cost of pricing and mailing.
